The children can now ride their bike on single lane roads and cross at junctions safely.</p>	<p>Children have learnt lifelong safety skills, meaning they will continue to be safer on the roads.</p> <p>Children have been riding their bikes to school and have helped promote a healthy way of travelling to school.</p> <p>PE lead has applied to do this again next year</p>
Swimming lessons	£ 1,008	<ul style="list-style-type: none"> increasing all staff's confidence, knowledge and skills in teaching PE and sport 	<p>Money will be provided to help children attend top up swimming sessions this year and achieve the national curriculum requirements.</p>	<p>All children in year 5 and 6 have had the opportunity to learn swimming over six terms this year. Children have been given lifelong skills that will keep them safe around water.</p>	<p>91% (51/56) of children in year 6 can swim competently, confidently and proficiently over a distance of at least 25 metres. This is far less children than other years</p>

		<ul style="list-style-type: none"> increasing engagement of all pupils in regular physical activity and sport offer a broader and more equal experience of a range of sports and physical activities to all pupils 		<p>Due to Covid19 many children have not had the opportunity to swim in the last few years and so we have had to catch up on lost skills. Year 6 children who were identified as not being able to swim have now caught up and most now meet the national curriculum requirements.</p> <p>Teachers have also gain CPD knowledge from professional coaches and this knowledge is shared among the year 5/6 teaching team.</p>	<p>but we believe the pandemic has meant children haven't been able to access swimming sessions or learn on holidays like they normally would.</p> <p>9% (5/56) children who cannot swim 25 metres are now extremely confident in water and beginning to use basic strokes. 2 of these children can swim up to 15 metres.</p> <p>18% (10/56) of our year 6 children can perform safe self-rescue in different water-based situations. These children will be able to be safe around water and know what to do if they get into trouble.</p>
District Sports	£50	<ul style="list-style-type: none"> increase participation in competitive sports 	<p>Children to take part in the district sport events. This will encourage children healthy sportsmanship and given the G&T athletes to be challenged further.</p>	<p>Our gifted and talented children were given the opportunity to perform at a highly competitive level.</p>	<p>We will enter district sports again and PE lead will help teachers identify the gifted and talented children to be put forward to this.</p>

Money for residential trip	£500	<ul style="list-style-type: none"> offer a broader and more equal experience of a range of sports and physical activities to all pupils 	Additional money will be given to help some of our pupils attend three days of OAA residential in term 6. Making sure that they get the same opportunities as others in school despite their family's income.	Children have had an amazing time learning new outdoor adventure skills and being challenged to push the boundaries of what they can normally do.	The skills learnt on the residential will be lifelong and there has been a marked difference in the self-esteem and confidence of these pupils since. This will continue into their life and we as a school will continue to measure that all children can have this opportunity.
Release time for PE lead to observe members of staff	£100	<ul style="list-style-type: none"> increasing all staff's confidence, knowledge and skills in teaching PE and sport raising the profile of PE and sport across the school, to support whole school improvement 	PE lead met with the lead at Churchill to evaluate the effectiveness of PE across the two schools, complete pupil voice questionnaires, identify any CPD opportunities and organise events for the 2022 - 2023 curriculum.	PE lead has monitored the teaching and learning along with planning this year and provided teachers with feedback to improve. Resources/CPD has also been evaluated by PE lead during this time.	<p>Feedback will be utilised in lessons with teaching and learning improving even more. This will continue next year. PE lead will continue to adapt curriculum for teachers and find further CPD opportunities where needed.</p> <p>PE events with Churchill will start again in September 2022 with each year group taking part in 2 collaborative events.</p>

Resources to support the new curriculum.	£1000	<ul style="list-style-type: none"> increasing engagement of all pupils in regular physical activity and sport raising the profile of PE and sport across the school, to support whole school improvement offer a broader and more equal experience of a range of sports and physical activities to all pupils 	PE will be well resourced matching the needs of the new curriculum map 2022 - 2023 to meet the needs of all children.	We have a range of quality resources at school which are used effectively to support PE. Resources are monitored by PE leader and updated as appropriate.	We will continue to monitor the use of resources. These resources are not only used in lesson but for lunchtime and after school clubs.
Equipment to make playtimes more active for children	£500	<ul style="list-style-type: none"> increasing engagement of all pupils in regular physical activity and sport 	Develop a new system of different equipment to be make available on each day of the week to encourage more active playtimes and help children target 30 minutes of exercise at school a day.	Children have been using a range of playground equipment at lunchtimes to participate in sporting activities.	This will continue to happen next year.

Treat afternoon x6 terms	£570	<ul style="list-style-type: none"> increasing engagement of all pupils in regular physical activity and sport raising the profile of PE and sport across the school, to support whole school improvement 	We will use physical activity to reward the children who have achieved the most house points each term Every child will be given the activity to take part in taster activity sessions in a range of sports led by coaches.	<p>Children have responded well to this reward system and nearly all of them sign up to try sports that they would not normally take part in.</p> <p>It has also helped continue to raise the profile of PE in school and brought the school together.</p>	<p>Children who have done these activities have then signed up to some clubs that Venture sport company run.</p> <p>This will continue next year.</p>
CPD for teachers	£1140	<ul style="list-style-type: none"> increasing all staff's confidence, knowledge and skills in teaching PE and sport 	CPD for staff leading to raised levels of understanding about how to teach areas of PE and improved quality of teaching. Children to be motivated by working with an experienced coach.	<p>In term 1, CPD was offered for teachers who felt they needed it. The CPD provided by sports coaches has upskilled our newer teachers, increasing confidence and competence across different areas of PE.</p> <p>The opportunity for children to have been taught by and 'expert' has led to greater development of skills, motivation and encouraged involvement in sports beyond the school setting.</p>	Although it was a success we are looking at using a different facilitator next year. We will continue to work with sports coaches. Teachers will team teach/participate in lessons as part of their CPD. Staff are expected to complete a CPD evaluation form at the end of the term to show the impact this has had on their future practice. Coaches will continue to signpost children to specific clubs where they can develop their interests and talents.
