Dear Parents,

It has been wonderful to see so many of you at Parents' Evenings this week. I know that the teachers enjoy catching up with you and the children love to share their work with you too. They are always keen to open their books the next day and find out which piece of work you have added your 'proud post-it' to! 😊

We seem to be hurtling towards the Easter holidays so I thought I would share some key dates for Term 5 with you below. On the reverse of this week's newsletter is the curriculum overview for next half term too so that you can find out more about what the children will be learning about in Term 5.

It is always a true sign of spring when the daffodils are out on White Horse Hill – they make the drive in to work so special. They have certainly inspired our Green Guardians this week who have been sowing wildflower seeds, planting up some pots and having a good sort out in the green house/planting area in school! They have been working very hard. I cannot wait for the wild flowers to start growing again this year!

I am holding on to the thought that my weather app says there is nicer, sunnier weather ahead. With this in mind I have asked Mrs Epsley to sort out our 'summer dresses' range for selling on Monday. If you are in need of some summer dresses to get you through the summer, please pop and see her on Monday or Friday next week – she will be selling them for 50p each.

Dates for Term 5

Tuesday 22 nd April	Term 5 begins
