Dear Parents,

As you know we will be holding Parents' Evening next week.

This Parents' Evening will be an opportunity for you to catch up with your child's class teacher. It is a general appointment to discuss how your child is getting on this year so far and to get an update heading towards the 'halfway point'! The next Parents' Evening after half term will be with the English and Maths teachers if your child is in KS2.

Your child's theme book, science book, English and Maths books from this term will be available for you to have a look at on the evening. We will also be issuing you with a 'proud post it' for you to add to one piece of work your child has produced this term, so that you can share with them how proud you are. Clear instructions for this will be available during the evening!

Please complete the slip below and ask your child to hand it to their class teacher. We always try our best to ensure sibling appointments are close in time to each other but I am sure you appreciate this can be a logistical nightmare and sometimes this is just not possible.

Mr O'Brien, Miss Tappenden, Miss Hanner and I will, as always, be available each evening if you would like to catch up with us.

Looking forward to seeing you!

Aly
