

Policy for Inclusion and Special Educational Needs

Hawkinge Primary School

Headteacher – Aly Ward
SENCO – Tori Hanner

At Hawkinge Primary School we encourage the whole child to reach his or her full potential and acquire the necessary knowledge, skills and values for life.

Approved by Governing Body		14/7/2025
Last reviewed on:	04/07/2025

1. Aims

Hawkinge Primary School's Policy for Inclusion and Special Educational Needs aims to

- Ensure our school fully implements national legislation and Kent Local Authority's guidance and expectations.

Sets out how our school will:

- Support pupils with SEND ensuring our best endeavours to provide the appropriate provision to enable positive outcomes.
- Provide an inclusive environment that enables pupils to access all aspects of school life alongside their peers.
- Provide pupils with the skills and attributes that enable them to become confident individuals who can successfully live fulfilling lives.
- Support pupils with SEND to realise their aspirations and achieve their best.
- Communicate with pupils with SEND and their parents or carers ensuring co-production and seek pupil and parent or carer voices to fully involve them in decision making and discussions to support their child's provision.
- Communicate and explain the roles and responsibilities of key school and external professionals who are supporting the provision for pupils with SEND.
- Ensure the SEND Policy is understood and implemented consistently by all staff and is monitored by Governors.

At Hawkinge Primary School, all pupils - irrespective of need - access a broad and balanced curriculum which is delivered through high quality inclusive teaching to enable every pupil to make progress and reach their full potential socially, emotionally and academically. The school will always endeavour to make reasonable adjustments to support pupils with SEND. The school set high expectations and aspirations for each individual pupil, working together with them, and their parents/carers, to ensure that pupils with SEND become confident and independent children and young people who are able to successfully transition to the next phase of their education or adult life.

2. Legislation and Guidance

This policy is written in line with:

The regulation associated with:

- Children and Families Act 2014 – Part 3: [Children And Families Act 2014 Part 3](#)
- Special Educational needs and Disability (SEND) Code of Practice 2015:
- The Special Educational Needs and Disability Regulations 2014: [The Special Educational Needs and Disability Regulations 2014](#)
- Equality Act 2010: [Equality Act 2010](#)
- School Admission Code 2021 [School Admission Code 2021](#)
- The School Information Regulations: Updated 24/10/24

Maintained Schools: <https://www.gov.uk/guidance/what-maintained-schools-must-publish-online>

- Governance in Maintained Schools Handbook 2024: [Governance in Maintained Schools](#)

Kent Local Authority:

The Local Authority's local offer

The Local Authority's Offer can be found in the SEND Information Report
<https://www.kent.gov.uk/education-and-children/special-educational-needs>

Countywide Approach to Inclusive Education (CATIE)

[A Countywide Approach to Inclusive Education \(kelsi.org.uk\)](#)

What does inclusion mean in Kent?

‘As the champion of families, children, and young people our collective priorities are to be certain that all children and young people are engaged with and included in the provision of high-quality inclusive education. Ensuring that, whatever their circumstance or ability, our children have a sense of belonging, feel respected, are valued for who they are and develop the knowledge and skills required for adult life. In doing so, we strive to achieve a continuous improvement in standards, a significant narrowing of achievement

gaps for vulnerable groups of learners and a wholly inclusive education system which ensures:

- **Equitable access for all.** Sufficient, appropriate, quality education provision is available for all children and young people in Kent.
- **No child is left behind.** All children and young people are supported to be engaged fully in their education.
- **Effective collaboration.** There is collaboration and multi-agency working providing a self-informing, sustainable system which supports the education of all.' (KCC: CATIE p 2-3)

Education Strategy – to be confirmed

Special Educational Needs Mainstream Core Standards (ordinarily available provision) : [Special Educational Needs Mainstream Core Standards](#)

The Mainstream Core Standards:

- Sets out the provision that the Local Area has agreed should be ordinarily available for Children and Young People with SEND
- Provides guidance and advice to support schools to meet the needs of and include Children Young People with SEND
- Provides clear guidance to schools on the statutory duties regarding the inclusion of Children and Young People with SEND
- Provides information to all stakeholders on the work of schools in relation to the inclusion of Children and Young People with SEND.

The school are working towards the ultimate goal of growing independent young people as they prepare for adulthood. All provision and support at Hawkinge Primary School works towards achieving the Kent Children and Young People Outcomes Framework.

Our SEND policy should be read in conjunction with our school's policies published on our website :

3. Definitions

Definition of SEN

‘A child or young person has SEN if they have a learning difficulty or disability which calls for special educational provision to be made for him or her.

A child of compulsory school age or a young person has a learning difficulty if he or she:

- Has a significantly greater difficulty in learning than the majority of others of the same age, or
- Has a disability which prevents or hinders him or her from making use of facilities of a kind generally provided for others of the same age in mainstream schools to mainstream post-16 institutions’

(DFE/DOH 2015: 15-16)

Definition of Disability:

‘Many children and young people who have SEN may have a disability under the Equality Act 2010- that is ‘..a physical or mental impairment which is a long-term and substantial adverse effect on their ability to carry out normal day-to-day activities.’ This definition provides a low threshold and includes more children than many realise: ‘Long term’ is defined as a ‘year or more’ and substantial’ is defined as ‘more than minor or trivial’. This definition includes sensory impairments such as those affecting sight or hearing and long-term health conditions such as asthma, diabetes, epilepsy, and cancer. Children and young people with such conditions do not necessarily have SEN, but there is sufficient overlap between disabled children and young people and those with SEN. Where a disabled child or young person requires a special educational provision they will also be covered by the SEN definition’ (DfE/DOH 2015: 16)

Special Educational Needs Register:

At Hawkinge Primary School, the SENCO will regularly review the SEN register as part of the Graduated Approach. The SENCO will work in co-production with parents/carers and, if required, key external professionals to ensure high quality SEN provision is in place, informing parents/carers of any changes that have been agreed. School staff will also be informed, and records updated accordingly on the appropriate school system. A diagnosis does not necessarily mean that a pupil will be placed on the SEN register if the universal and targeted provision the pupil is accessing is enabling them to make good progress.

Special Educational Needs (SEN) support

‘SEN support means support that is additional to, or different from, the support generally made for other children of the same age in a school. It is provided for pupils who are identified as having a learning difficulty or a disability that requires extra or different help to that normally provided as part of the school’s usual curriculum offer. A pupil on SEN support will not have an education, health and care plan.’

<https://explore-education-statistics.service.gov.uk/find-statistics/special-educational-needs-in-england>

Education, health and care (EHC) plans

A local authority may issue an EHC plan for a pupil who needs more support than is available through SEN support. This will follow a statutory assessment process whereby the local authority considers the pupil's special educational needs and any relevant health and social care needs; sets out long term outcomes; and specifies provision which will deliver additional support to meet those needs.

<https://explore-education-statistics.service.gov.uk/find-statistics/special-educational-needs-in-england>

See **Section 8** for more information about how this is identified and supported at Hawkinge Primary School.

4. Inclusion and Equal Opportunity

The school endeavours to provide, review and develop high quality inclusive opportunities for all pupils. In Hawkinge Primary School, the quality of teaching is judged to be outstanding. We follow the Mainstream Core Standards advice developed by Kent County Council to ensure that our teaching conforms to best practice. In meeting the Mainstream Core Standards, the school employs some additional teaching approaches, as advised by internal and external assessments e.g. precision teaching, mentoring, small group teaching, use of ICT software learning packages, the use of Language Through Colour, etc. These are sometimes delivered by additional staff employed through the funding provided to the school as 'notional SEN funding'.

Every pupil in the school has their progress tracked six times per year. In addition to this, pupils with special educational needs may have more frequent assessments regarding their specific needs. Using these assessments, it will be possible to see if pupils are increasing their level of skills in key areas. If these assessments do not show adequate progress is being made the SEN support plan will be reviewed and adjusted.

Each review of the SEN support plan will be informed by the views of the pupil, parents and class/subject teachers and the assessment information from teachers, which will show whether adequate progress is being made.

For pupils with an Education, Health and Care Plan there will be an annual review of the provision made for the child, which will enable an evaluation of the effectiveness of the special provision.

5. Roles and Responsibilities – in conjunction with SEN Information Report

Hawkinge Primary School work strategically in line with the Special Educational Needs Code of Practice 2015.

At Hawkinge Primary School, we can make provision for every kind of frequently occurring special educational need without an Education, Health and Care Plan, for instance dyslexia, dyspraxia, speech and language needs, autism, learning difficulties and behaviour

difficulties. There are other kinds of special educational need, which do not occur as frequently and with which the school is less familiar, but we can access training and advice so that these kinds of needs can be met.

The school also currently meets the needs of pupils with an Education, Health and Care plan with a range of special educational needs: cognition and learning; communication and interaction; physical disabilities etc. Decisions on the admission of pupils with an Education, Health and Care plan are made by the Local Authority.

The admission arrangements for pupils without a statement of special educational needs / Education, Health and Care Plan do not discriminate against or disadvantage disabled children or those with special educational needs.

The school will ensure that pupils, parents and carers have:

- Access to impartial information, advice and support throughout their time in the school to help them make informed decisions and choices about their future.
- Are effectively supported to understand their rights and decision-making processes and choices regarding their plans and support.
- An understanding of their individual plans, outcomes, provision and support and the reasons why some changes may not be possible

(Area SEND inspections: framework and handbook updated April 2024)

All parents of pupils at Hawkinge Primary School are invited to discuss the progress of their children a minimum of five times a year and receive a written report at the end of the year. In addition, we are happy to arrange meetings outside these times. As part of our normal teaching arrangements, all pupils will access some additional teaching to help them catch-up if the progress monitoring indicates that this is necessary; this will not imply that the pupil has a special educational need. All additional provisions will be recorded, tracked and evaluated on a Provision Map or Learning Plan. For children with SEND, these will be shared with parents at Parents' Evenings.

If, following this core provision, improvements in progress are not seen, we will contact parents to discuss the use of internal or external assessments which will help us to address these needs better. From this point onwards, the pupil will be identified as having special educational needs because special educational provision is being made and the parent will be invited to all planning and reviews of this provision. Parents will be actively supported to contribute to assessment, planning and review.

In addition to this, parents of pupils with an Education, Health and Care Plan will be invited to contribute to and attend an annual review, which, wherever possible will also include other agencies involved with the pupil.

5.1 SENCO

All maintained schools and academies are required by law to have a named SENCO who is a qualified teacher and has been awarded the National Award for Special Educational Needs Coordination (prior to September 2024) or The National Professional Qualification for SEND (from September 2024).

SENCOs must complete the qualification within three years of taking up the post. At Hawkinge Primary School, our SENCO is Tori Hanner. She can be contacted via the school office (01303 892224) or via email senco@hawkinge.kent.sch.uk and is also available at school drop-off/pick-up times most days.

Tori has 14 years' experience in this role and has worked at the school, as a qualified teacher, since 2008.

Tori achieved the National Award in Special Educational Needs Co-ordination in 2012.

She also regularly updates her training around a wide range of SEND areas, including attending termly SENCO forums, both locally and countywide, working alongside professionals such as Educational Psychologists, Occupational Therapists and Speech and Language Therapists and also attending training in areas such as 'FASD', 'Working Memory and Executive Functioning' and 'Supporting Students with ADHD'.

The SENCO has an important role to play with the headteacher and governing body with regards to the strategic oversight and implementation of Hawkinge Primary School's SEN policy and development.

She will, alongside other members of SLT:

- Oversee the day-to-day responsibility and implementation of the SEND policy.
- Ensure all statutory requirements are adhered to throughout the year
- Co-ordinate provision for children with SEN using the graduated approach – Assess, Plan, Do, Review to review and monitor provision for all pupils with SEN.
- Communicate and provide all staff with the key SEN and medical information, advice, guidance, and strategies to support pupils with SEN ensuring high quality provision across the school.
- Collaborate with teachers, support staff, parents and carers regarding all aspects of their child(ren)'s provision including interventions and outcomes.
- Offer professional guidance to staff to secure high quality inclusive provision in the classroom and throughout the school day.
- Collaborate with curriculum leaders to remove barriers to learning.
- Develop and lead whole school continued professional development to ensure high quality provision for all pupils with SEN.
- Liaise with the relevant Designated Teacher where a looked after child or young person has SEN

- Liaise with early years providers, other schools, educational psychologists, health and social care professionals, and independent or voluntary bodies.
- Liaise with potential next providers of education to ensure that the school meets its responsibilities under the Equality Act 2010 regarding reasonable adjustments and access arrangements.
- Be the key point of contact for external agencies, especially the local authority and its support services
- Ensure the school keeps up-to-date records of all pupils with SEN.
- Ensure any pupils who has a part time timetable is agreed with parent/carers, is registered on the KELSI website and a clear re-integration strategy is planned in conjunction with the parent/carer and pupil.
- Hold status in order to have capacity and authority to make change.
- Ensure genuine coproduction and collaboration with the wider community.
- Advising on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively
- To keep up-to-date with key national and local SEN development.
- Attend key meetings organised by the local authority such as The Countywide SENCO Forum to ensure they have up-to-date strategic and operational information.
- Is fully involved in all aspects of transition planning whether phased or in year regarding pupils with SEND, following expectations set out in the District Plans and Kent Transition Charter. Ensuring parents/carers are fully informed throughout the transition period.
- Work closely with other colleagues and SENCOs in their Community of Schools.

Developed from DfE/DOH SEND Code of Practice 2015:108-109

5.2 Headteacher

The headteacher (Miss Aly Ward) will:

- Work closely with the SENCO and SEN link governor to determine the strategic development of the SEN policy and provision across the school.
- Work with the SENCO and governors to ensure the school adheres to all legislative and statutory guidance keeping up to date with all key national and local policies and expected SEN practice.
- Ensure the SENCO has sufficient time and resources to effectively carryout their role.

- Work closely with the SENCO to carry out their duties employing the Graduated Approach, using their 'best endeavours' and when required making reasonable adjustments to ensure the school is providing high quality SEN provision.
- Have overall responsibility for the provision for pupils with SEN, their progress, and outcomes.
- Have the responsibility for monitoring the school's notional SEN budget and any additional funding allocated by the LA to support individual pupils or SEN provision for groups of pupils.

5.3 SEND Governor

Our Governing Body have a legal responsibility to pupils with SEN as defined in the Children and Families Act 2014 and SEND Code of Practice 2015.

The SEN governor will:

- Help to raise awareness of SEN issues at governing board meetings.
- Monitor the quality and effectiveness of SEN and disability provision within the school and update the governing body following monitoring visits.
- Work with the headteacher and SENCO to determine the strategic development of the SEN policy and provision in the school.

Maintained School

7.2.2 Children with special educational needs and disabilities (SEND)

Governing bodies have legal duties in relation to pupils with SEND that are set out in the [Children and Families Act 2014](#) and the [SEND code of practice](#).

Governing bodies should have an individual responsible for specific oversight of the school's arrangements for children with SEND.

The [SEND code of practice](#) assists the governing body and the link or lead governor in supporting and promoting discussions with regards to outcomes for learners with SEND.

DfE: Maintained schools guidance guide: updated 2 October 2024 [Maintained Schools Handbook](#)

The named Governor is responsible for the strategic oversight of the arrangements and provision for pupils with SEN.

The SEND Governor will

- Carry out monitoring visits on behalf of the Governing Body to ensure high quality and effective provision is in place and in line with the SEND Code of Practice statutory and Local Authority guidance and expectations.

- Report to and raise awareness of SEN issues raised during monitoring visits and meetings at Governing Body meetings.
- Work closely with the SENCO and Headteacher to ensure the strategic review and development of the SEND Policy, SEN Information Report and provision in the school.

Our SEND Governor is Mrs Kerry Sauntry.

5.4 Teachers

All teachers are teachers of pupils with special educational needs. Our SENCO provide a vital strategic role and provides significant advice and support to teachers, but the responsibility for the learning and progress of all children lies with the teacher.

'High quality teaching, differentiated for individual pupils, is the starting point in responding to pupils who have or may have SEN. Additional intervention and SEN support cannot compensate for a lack of good quality teaching.

Schools should regularly and carefully review the quality of teaching for all pupils, including those at risk of underachievement. This includes reviewing and, where necessary, improving, teachers' understanding of strategies to identify and support vulnerable pupils, and their knowledge of the SEN most frequently encountered.'(DfE/DoH SEND Code of Practice 2015: 25)

Every teacher is responsible for:

- The progress and development of every pupil in their class
- Instilling high aspirations for every pupil.
- Delivering a broad balanced curriculum embedding high-quality inclusive and adaptive teaching strategies and resources
- Working closely with teaching assistants or specialist staff to plan, monitor, track and assess the impact of support and interventions, and how they can be transitioned and embedded in the classroom.
- Working with the SENCO to review each pupil's progress and development, and decide on any changes to provision.
- Ensuring they follow this SEN policy.

Teachers and teaching assistants have had the following awareness training:

- Speech and Language, including Speech Link, Language Link, Language for Learning and Language Through Colour
- Dyslexia Friendly School training
- Autism including Demand Avoidant Profiles
- Foetal Alcohol Spectrum Disorders (FASD)
- Behaviour and Classroom Management training (Bill Rogers approach)
- Use of Precision Teaching Techniques
- Lego Therapy for children with social communication difficulties
- Attachment and Adverse Childhood Experiences (ACEs)

In addition, some staff have had extensive training and experience in supporting children with a range of difficulties, including Speech and Language, Social and Emotional difficulties, Physio support etc.

Where a training need is identified beyond this, we will find a provider who is able to deliver it. Training providers we can approach are Educational Psychologists, Speech and language therapist, occupational therapists, physiotherapist, specialist teaching services (STLS) amongst others.

A summary of typical adaptations and provisions provided by teachers and TAs can be found in the SEN Information Report, our Adaptive Teaching document and our Whole School Provision plan, all available on the SEND page of our school website:

<https://hawkingeprimaryschool.co.uk/send/>

5.5 Parents and carers

Parents and carers should inform the school if they have any concerns about their child's progress socially, physically, emotionally, or academically or if there are any changes to provision that have been advised by key external professionals working with their child following an appointment.

Parents/carers are actively involved in the decision-making process through meetings or agreed forms of communication and are afforded every opportunity to contribute discussions regarding their child's SEN provision.

All parents of pupils at Hawkinge Primary School are invited to discuss the progress of their children a minimum of 5 times a year and receive a written report at the end of the year. In addition, we are happy to arrange meetings outside of these times. An open door policy means we always endeavor to make time to discuss parental concerns.

5.6 The pupil

Seeking the voice of the pupil is an important aspect of ensuring the SEN provision is highly effective for every pupil with SEN. Pupils are given every opportunity to express their view and provide information to support review meetings as part of our Graduated Approach in year meetings and for pupils with an EHCP the statutory Annual Review. However, the voice of the pupil can be sought at any time throughout the school year.

When a pupil has been identified to have special educational needs because special educational provision is being made for him or her, the pupil will be consulted about and involved in the arrangements made for them as part of person-centred planning if it seems appropriate given the child's age and understanding. Parents are likely to play a more significant role in the earlier childhood years with the young person taking more responsibility and acting with greater independence in later years.

Pupils at Hawkinge Primary School are able to express their views through a number of ways:

- Pupil questionnaires and surveys (including using BounceTogether)
- Termly whole-school mixed year group 'Pupil Voice' sessions, led by Year 6 pupils

- Speaking to teachers, TAs and additional staff about their thoughts and feelings
- Speaking to Year 6 Playground Buddies
- Appendix 1 for pupils with an EHCP

6. SEN Information Report

Our SEN policy works in conjunction with our SEN Information report, available on our [SEND](#) page, which sets out how this policy is implemented in the school.

The SEN Information Report is updated annually or, if necessary, when changes to the information may be required during the academic year.

7. Admissions and Accessibility

Hawkinge Primary School is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions and admissions processes.

The admission arrangements for pupils without a statement of special educational needs / Education, Health and Care Plan do not discriminate against or disadvantage disabled children or those with special educational needs.

8. Our school approach to SEN provision

At Hawkinge Primary School, we monitor the progress of **all** pupils six times a year to review their academic progress. We also use a range of assessments with all the pupils at various points, including, but not limited to, Y1 phonics screening, Speech Link, Language Link, KS1 assessments and KS2 SATs. This is alongside the continuous assessment by class teachers regarding the progress of their pupils.

Where progress is not sufficient, even if a special educational need has not been identified, we put in place extra support to enable the pupil to catch up. 'Keep Up, Catch Up' sessions run daily to support those who have not met the objectives of daily English and Maths lessons. Other examples of extra support are Precision Teaching techniques, Language Through Colour, Language Link, 1:1 Reading and Reading Comprehension, Touch Typing, Nessy Reading and Spelling Support, Fizzy, Fine Motor Skills, the use of Clicker 8, Speech Therapy, 5 Minute Boxes, Toe By Toe, Nurture Groups, Lego Therapy, Emotional Regulation, Sensory Circuits etc.

Some pupils may continue to make inadequate progress, despite high-quality teaching targeted at their areas of weakness. For these pupils, and in consultation with parents, we will use a range of assessment tools to determine the cause of the learning difficulty. At Hawkinge Primary School, we are experienced in using the following assessment tools: Language Link, Language for Learning, Fizzy for motor skills, Speech Link, Nessy, Visual Stress Assessment, GL Dyslexia Screening, GL Dyscalculia Screening, communication and interaction scales, behaviour scales, Executive Functioning Scales, amongst others. In addition, we have access to external advisors who are able to use an extensive range of assessment tools. The purpose of this more detailed assessment is to understand what additional resources and different approaches are required to enable the pupil to make better

progress. These will be shared with parents, put into a SEN support plan and reviewed regularly, and refined / revised if necessary. At this point, we will have identified that the pupil has a special educational need because the school is making special educational provision for the pupil, which is additional and different to what is normally available. If the pupil is able to make good progress using this additional and different resource (but would not be able to maintain this good progress without it) we will continue to identify the pupil as having a special educational need. If the pupil is able to maintain good progress without the additional and different resources he or she will not be identified with special educational needs. When any change in identification of SEN is changed, parents will be notified. We will ensure that all teachers and support staff who work with the pupil are aware of the support to be provided and the teaching approaches to be used.

8.1 The kinds of special educational need for which provision is made

At Hawkinge Primary School, provision is made to support pupils with additional needs irrespective of whether a pupil has an education health and care plan in conjunction with The Continuum of Provision and Need and using the Graduated Approach.

At Hawkinge Primary School, we will ensure our 'best endeavours' to meet the needs of pupils with an Educational Health and Care Plan (EHCP) with the following kinds of special educational need: Cognition and Learning Difficulties, Communication and Interaction, Sensory and/or Physical Needs and Social, Emotional and Mental Health needs. Decisions on the admission of pupils with an EHCP are made by the Local Authority.

8.2 The identification and assessment of pupils with special educational needs

In line with this SEND Code of Practice (DfE/DoH 2015) pupils at Hawkinge Primary School are identified as either having no SEN, having SEN with support, or having a SEN with an Educational Health and Care Plan.

At Hawkinge Primary School, progress is closely monitored throughout the year to review their academic progress at least termly. However, pupils with SEN may have more frequent assessments.

Teachers carry out regular assessments to track progress and identify pupils who, despite using high quality inclusive teaching strategies, are

- Working significantly slower than their peers who have the same starting point,
- Unable to maintain or improve their progress rate ,
- Unable to close the attainment gap in line with their peers or the gap is widening.

This may also include progress and development in areas other than academic attainment such as social, emotional and/or physical.

To support pupils, the school use a range of assessments to review and monitor the broader developmental needs and progress of all pupils such as Reading and Maths assessments, Language Link, Language for Learning, Fizzy for motor skills, Speech Link, Nessy, Visual Stress Assessment, GL Dyslexia Screening, GL Dyscalculia Screening, communication and interaction scales, behaviour scales, Executive Functioning Scales, amongst others.. These tests will enable the early identification of difficulties that a pupil

may present with. Information collected from the testing will inform the appropriate intervention and provision to support progress and outcomes.

Teachers at Hawkinge Primary School are responsible for classroom provision, delivering a well-sequenced and resourced curriculum and using high quality inclusive teaching strategies which are scaffolded, with adaptations made to meet a pupil's needs.

When teachers identify an area where a pupil is making slow progress or where they have concerns, they will follow the school's early identification of need's protocols. Teachers will inform parents/carers at an early stage to make them aware and discuss the further supporting strategies that the teacher will use to help the pupil.

However, if progress does not improve the teacher will inform the SENCO to have an initial discussion about whether this lack of progress may be due to a special educational need. In this instance, the SENCO will, in consultation with the pupil's parents/carers, discuss further support.

The purpose of a more detailed assessment will identify what additional resources and/or different approach is required to enable the pupil to make better progress. These will be shared with parents/carers, written into SEN provision plans, which are regularly reviewed, refined and revised. At this point the SENCO will have identified that the pupil has an additional need because the school is making provision for the pupil which is additional and different to what is normally available. Teachers will be informed throughout the process and training will be delivered to ensure the provision is of a high quality.

It is important to note as stated in the SEND Code of Practice (DfE/DoH,2015 6.23) that slower than expected progress and lower attainment does not automatically mean a pupil would be recorded as having SEN.

If the pupil is able to make good progress using this additional and different resource but would not be able to maintain this good progress without it, the school will continue to identify the pupil as having a special educational need. If the pupil is able to make good progress without the additional or different resources, they will not be identified as having special educational needs. When any change of identification of SEN is amended, parents/carers will be notified.

The school will ensure that all teachers and support staff who work with a pupil with SEN or have an additional need are made fully aware of the provision that each individual pupil requires through regular informal and formal meetings, sharing of reports and annual 'handover' meetings between teachers, TAs, SENCO and Family Support Worker to ensure all relevant information is shared.

8.3 Consulting with Parents

Parents and carers should inform the school if they have any concerns about their child's progress socially, physically, emotionally, or academically or if there are any changes to provision that have been advised by key external professionals working with their child following an appointment.

Parents/carers are actively involved in the decision-making process through meetings or agreed forms of communication and are afforded every opportunity to contribute discussions regarding their child's SEN provision.

All parents of pupils at Hawkinge Primary School are invited to discuss the progress of their children a minimum of 5 times a year and receive a written report at the end of the year. In addition, we are happy to arrange meetings outside of these times. An open door policy means we always endeavor to make time to discuss parental concerns.

9. Assessing, Monitoring, Reviewing and Evaluating Progress towards Outcomes

At Hawkinge Primary School, we assess, monitor, review and evaluate progress towards outcomes using a graduated approach. This approach includes, but is not limited to, the following:

- The teacher's assessment and experience of the pupil
- The pupil's previous progress and attainment or behaviour
- Other teachers' assessments, where relevant
- The pupil's individual development compared to their peers and national data.
- Collaboration with parents/carers to seek their views and experience and agreed next steps.
- The pupil's own views
- Advice from external support services, if relevant

Our goal is always to ensure pupils are prepared for their next steps and onward pathways.

This graduated approach is outlined in more detail in the school SEN Information Report, available on the school website.

At all times teachers and support staff who work closely with the pupil will be made aware of their needs, provision plan outcomes, key strategies, provision and approaches to support them throughout the school day. Any changes to provision will be communicated in a timely manner through the school's SEN protocols and processes as set out in the SEN Information Report.

This policy and SEN Information Report will be reviewed by Tori Hanner (SENCO) and Aly Ward (Head Teacher) every year. It will also be updated to reflect any changes to the information or statutory policy.

The policy will be approved by the governing body and available to read and refer to on the school's website.

10. Complaints about SEND Provision

The normal arrangements for the treatment of complaints at Hawkinge Primary School are used for complaints about provision made for special educational needs. We encourage parents to discuss their concerns with the class teacher, SENCO or Deputy or Headteacher to resolve the issue before making the complaint formal to the Chair of the governing body. Our [complaints policy](#) can be found on the school website.

If the complaint is not resolved after it has been considered by the governing body, then a disagreement resolution service or mediation service can be contracted. If it remains unresolved after this, the complainant can appeal to the First-tier Tribunal (Special Educational Needs and Disability), if the case refers to disability discrimination, or to the Secretary of State for all other cases.

There are some circumstances, usually for children who have an EHCP where there is a statutory right for parents to appeal against a decision of the Local Authority. Complaints which fall within this category cannot be investigated by the school.

10. Glossary and SEND Acronyms

- **Access arrangements** – special arrangements to allow pupils with SEND to access assessments or exams
- **Annual review** – an annual meeting to review the provision in a pupil's EHC plan
- **Area of need** – the 4 areas of need describe different types of needs a pupil with SEND can have. The 4 areas are communication and interaction; cognition and learning; physical and/or sensory; and social, emotional and mental health needs.
- **EHC needs assessment** – the needs assessment is the first step on the way to securing an EHC plan. The local authority will do an assessment to decide whether a child needs an EHC plan.
- **EHC plan** – an education, health and care plan is a legally-binding document that sets out a child's needs and the provision that will be put in place to meet their needs.
- **First-tier tribunal/SEND tribunal** – a court where you can appeal against the local authority's decisions about EHC needs assessments or plans and against discrimination by a school or local authority due to SEND
- **Graduated approach** – an approach to providing SEND support in which the school provides support in successive cycles of assessing the pupil's needs, planning the provision, implementing the plan, and reviewing the impact of the action on the pupil
- **Intervention** – a short-term, targeted approach to teaching a pupil with a specific outcome in mind
- **Local offer** – information provided by the local authority which explains what services and support are on offer for pupils with SEND in the local area
- **Outcome** – target for improvement for pupils with SEND. These targets do not necessarily have to be related to academic attainment

- **Reasonable adjustments** – changes that the school must make to remove or reduce any disadvantages caused by a child's disability
- **SENCO** – the special educational needs co-ordinator
- **SEN** – special educational needs
- **SEND** – special educational needs and disabilities
- **SEND Code of Practice** – the statutory guidance that schools must follow to support pupils with SEND
- **SEND information report** – a report that schools must publish on their website, that explains how the school supports pupils with SEND
- **SEND support** – special educational provision which meets the needs of pupils with SEND
- **Transition** – when a pupil moves between years, phases, schools or institutions or life stages
